latham SAFETY COVERS

Keep Your Family, Friends & Pets Safe This Winter!

Mesh covers allow rain and melted snow to drain directly into the pool, eliminating the need for a cover pump. Lightweight and easy to manage, mesh covers reduce off-season maintenance while still providing a strong safety barrier.

SMART FEATURES

Purposefully Engineered

Every Latham winter safety cover offers unparalleled strength and durability, designed with features to enhance safety, simplify maintenance and help your pool weather the off-season.

HEAVY DUTY HARDWARE

Single-coil springs for a tighter, cleaner fit with low-profile D-rings for easy installation and adjustment ensures your cover lays flat.

DURABLE SEAMS

All solid and mesh winter cover seams are interlocked and double overlapped, delivering unmatched strength at the structural core.

ANTI-RUB STRIPS

White coping strips prevent black scuff marks along your pool's edge, preserving your deck's appearance while adding a subtle layer of protection to the cover perimeter.

INVIS-A-DRAIN

Integrated 1/4" drain holes are spaced at 6" intervals down the center of a reinforced vinyl cover. This innovative design filters water through a 12" wide mesh panel below for easy cleaning.

5000M™ STANDARD SHADE MESH

This durable micro weave fabric cover combines 91% sun block and high level protection with value. It stands strong with the highest abrasion resistance and tear strength in its class, able to filter debris and dirt.

LOCK-IN WINTER COVERS

Winter Coverage You Can Trust!

Our form-fitted winter cover locks securely into your pool coping, sealing the entire perimeter with ease as the cover never touches the deck surface, staining is completely eliminated.

The durable, non-porous material keeps debris and contaminants out, helping maintain clean, clear water all winter long - your pool continues to look like a pool should, even in the off-season.

Proudly made in Canada, our vinyl lock-in winter covers are custom-crafted to fit your pool precisely and backed by a 5-year warranty (1-year full warranty, 4-year pro-rated).
