National PTA’s Reflections program is an acclaimed student recognition experience that encourages artistic creativity and supports students in exploring their thoughts, feelings and ideas through their art pieces. This year students in our schools supported by Local Louisiana PTA units participated in and explored the arts based on the theme, “I Will Change the World By...”.

We are pleased to announce nineteen Outstanding Interpretation entries were advanced to National PTA for judging. National PTA will announce their results on May 1, 2022 – good luck to all our Louisiana artists participating in the final round!

The Louisiana PTA Reflections program could not exist if it were not for our many local unit volunteers across the state! They **make** the time to learn about the program, publicize it, provide guidance to the artists, and input entries into the on-line portal for judging. We cannot say **“Thank You”** enough!
