Cancer Financial Assistance Coalition

www.cancerfac.org

The Cancer Financial Assistance Coalition (CFAC) is a coalition of organizations that help patients reduce financial barriers during cancer treatment. The CFAC is a group of 15 organizations that collaboratively fund and maintain a database of financial and other resources specifically for individuals diagnosed with cancer. The database is a free service and allows individuals to search for assistance by type of cancer, regionally, or by the specific type of assistance they require, be that prescription assistance, help purchasing durable medical equipment, or living expenses. Other assistance might include meal delivery, home care, and transportation. The CFAC database is thorough, easy-to-use, and fast.
