## Health Equity: Health Providers Train the Trainer Program Post Test - Module 1: Health Disparities

There are 10 questions that must be answered in order to receive your CME Certificate.

After selecting the answer to each question, click onto the "Check Answer" button.

- You will see a ✔ next to the question if you answer correctly. Click on "review explanation" for further information.

- You will see a ✘ next to the question if you answer incorrectly. An indicator will point to the correct answer and an explanation box stating why that is the correct answer.

After carefully reviewing the correct answers to all questions and passing the quiz:

- Click "Continue" to complete the CME Evaluation of this activity and Post your CME Credit

### Question 1

1. A system of values, beliefs, and learned patterns of behaviors is the definition of?
