

Trick or Treat – October 29th, 30th, 31st.

5pm to 830pm

We welcome ghouls and goblins to stop by on one spooky night for the 5th Annual Trick or Treating at the Marina.

Adults must accompany children and be supervised at all times.

So, everyone has a chance to stop by and to help reduce traffic, please visit only one of the three nights and park closely, but appropriately. Please, help keep all our youngsters safe by driving safely and slowly. Carpooling is highly recommended.

Attendance is AT YOUR OWN RISK. By attending, you and your guests are voluntarily agreeing to use parking and trick or treat areas at your own risk this includes, but is not limited to, loss or damages to person(s) or personal property. Visitors are solely responsible and liable for their own actions and well-being. Nottely Marina personnel, at their sole discretion, may ask any visitor, at any time, to leave the premises and visitor must comply with request.

Community is important and as an awesome community, we all share in the safety and happiness of our children and fellow neighbors. Help us keep everyone safe and help keep a watchful eye on our little ones during Halloween. It takes a village!

Huge shoutout to the Union County Sheriff's Department for always keeping our roads and children safe during events throughout the year that held throughout beautiful Union County!

This is a free, family-friendly trick or treating opportunity for our children in Union County. Our children deserve a fun, safe Halloween experience and we enjoy seeing all the monsters come out and play. Even the adults enjoy their evening!

If you are interested in volunteering or working a trunk or treat space,

Please contact Moriah TheNottelyMarina@nottelymarineinc.com

Thank you for another Happy Halloween!

Lake Nottely Boat Parade

Line- up at 11am and Trophies at 12:00pm (noon.)

For decades, Lake Nottely folks have decorated whatever they own that floats in ways that only get more creative each year!

No registration – no fees – no entries... It's just a thing that happens on Lake Nottely each July. However, we do hand out custom painted aluminum props for the 8 different favorites. Dave and Denise Brown of Blairsville, Ga donate cash awards to the winners as well.

The boats slowly float in a circle through the no wake zone from the buoys to the road from 11am to noon.

Marina crew will be on their own boat handing out trophies and announcing the winners.
