All our kittens are spayed / neutered before going home to their forever families at the age of 12-16 weeks, depending on their growth/development. They will come with a carrier, toys, small bag of food, micro-chipped and TICA registered. Once you are approved and put on our wait list, we will keep you updated on the progress of your expected kitten once we have a confirmed mating. We will start taking deposits at 4 weeks of age – the non-refundable deposit is \$500 with the balance to be paid by cash at time of pick up. If you have to arrange for transport, you will need to pay by cashiers check or money order, and the funds will need to be in hand 2 weeks before the day of pickup. If for some reason you are unable to get your kitten, we will roll your deposit over to our next litter.

Our pick up days are Saturday and Sunday only.

We currently do not offer kittens with breeding rights unless we have an established relationship with you and your cattery.
