

Good day Members

The following feedback from Strandveld Plaaswag Management.

Bennie Fourie has resigned as Chairperson and Flippie Groenewald is standing in as Interim Chairperson until the next AGM, where a new Chairperson and Vice Chairperson is to be elected.

The current management wishes to assure members that Plaaswag will continue to focus on safety in the best interest of our members and our area. We have always been and remain to be a voluntary community organisation, from and for the community.

All documentation and practices are being revised to ensure legislative compliance, best practice, accreditation, and to provide improved services to the members in the future.

Members are requested to please advise Amanda (WhatsApp 082 774 1370) or [strandveldplaaswag@gmail.com](mailto:strandveldplaaswag@gmail.com) of any changes to their membership or contact details.

The current Management Portfolios and contact details:
