1-Please let me know if there is an herb you would like to use that I do not currently carry.
2-The Herban Pharm uses pre-powdered herbs for your powder formulas. Pre-powdered herbs are listed in **BOLD** below and have a fine grain texture. All powdered herbs are refrigerated to maintain freshness. Some herbs that are not currently pre-powdered from suppliers can be powdered in-house at THP. Please note these may not have as fine grain texture as the pre-powdered herbs from suppliers. There will be a \$5 fee per herb powdered by the THP.
