1-Please let me know if there is an herb you would like to use that I do not currently carry.

2-Herbs listed as "Out of stock" are either currently out of stock from suppliers or the price has been drastically increased due to limited supply and increased demand.

3-The Herban Pharm blends pre-powdered herbs. Pre-powdered herbs are listed in **BOLD** below and have a fine grain texture. All powdered herbs are refrigerated to maintain freshness. The herbs that are noted as "THP powdered" are currently out of stock pre-powdered from suppliers but can be powdered in-house at THP. Please note these may not have as fine grain texture as the pre-powdered herbs from suppliers. There will be a \$5 fee per herb powdered by the THP.
