

A full-page photograph of a ballerina in a white leotard and a long, flowing pink skirt. She is captured in a dynamic pose, performing a high kick with her right leg extended upwards and her left leg supporting her weight. Her arms are gracefully positioned, and her gaze is directed towards the right. Overlaid on the lower half of the image is the text 'Info Pack' in a large, pink, cursive script, with '2026' in a similar but slightly smaller script below it. A small '2025' is visible just above the '2026'.

Welcome to Studio 22

Welcome to Studio 22! We are so excited to have you as part of our family.

At Studio 22 we believe in providing elite dance training in a nurturing environment. Shaping not only great dancers, but good people.

About The Owner

Our owner Lyndsay has been dancing since the age of 2 and teaching for over 10 years now, perfecting her craft to share with her students. She has competed in a variety of competitions including the Dance Worlds in Orlando Florida,, trained at The Australian Ballet School and received high marks in all her Ballet Exams. Lyndsay strives to provide an environment where her students can excel and have all the opportunities she was so fortunate to have and more.

Company Vision

Empowering
dancers to reach
their goals

At Studio 22 we aim to provide students with experienced dance training in a fun, safe and friendly environment. We strive to ignite passion and empower each student to fulfil their dreams by providing technically strong training in a variety of styles of dance.

Age Levels

Finding the right fit for each student

Preschool 3-5yo	Mini 6-9yo	Youth 9-12yo
Junior 12-16yo	Open 14+	Adult 18+

Our classes are all suited to each age level to be appropriate both in skill level and maturity. In the instance where an age level overlaps, we will assess each student to see which level they will best fit into.

Open classes are open to anyone over the age of 14. These are targeted towards experienced dancers.

Adult classes are strictly 18+. No experience required, and classes are suited to the individual students.

Ballet Our Styles

Ballet is the foundation for all styles of dance. Technique, strength, posture and flexibility are all consistently improved through weekly ballet training.

Jazz

Kicks, Turns, Jumps and leaps all come together to create this upbeat and challenging style. Covering all forms of jazz from commercial, to Broadway!

Lyrical & Contemporary

Although the two styles are different in their own ways, they are both derived from ballet. With a big emphasis on expression and emotion, this is a fantastic style to perform.

Hip Hop

A popular street style of dance using popping, isolations, and freedom of movement to mostly RnB songs.

Pom

Using Poms and a variety of Jazz skills, this popular style really gets the heart rate up! A huge focus on arm lines and uniformity in this style.

Acro

Flip, tumble, twirl and partner up for a class testing your physical and mental strength!

Term 4 - Photo Day, End of Year Concert

Costumes:

All students taking part in the end of year concert will need to hire a costume for each style. \$50 for the first costume, \$35 for additional costumes. This is accompanied by a performance fee to cover venue hire.

Solo and Duo students may choose to hire a costume for the above cost, or outsource their own (with approval from their teacher). Our owner Lyndsay creates custom costumes if you wish to purchase a custom one.

Strict No Bullying Policy:

Studio 22 will not tolerate bullying of any kind. Bullying/harassment will be handled in a serious and timely manner. There is a zero tolerance approach for discrimination here as well. Studio 22 is a safe space for all, and we will keep it that way!

Payment Terms

Studio 22 will do what we can to make payment options easy for our customers, however we do expect timely payments.

Terms fees are due at the start of each term. All term fees must be paid upfront, or via Direct Debit on a weekly or fortnightly basis. Payment plans must be organised before your first class.

Refunds will only be given if a cancellation is made within 7 days of initial payment, minus any classes (attended or not) in that 7 day period. Any other refunds are at managements discretion.

Credits will be applied where a class is cancelled by Studio 22, and no makeup class is offered(excluding hot/wild weather policy). No credits, refunds or makeup classes will be given for a student missing class for their own reasons.

Extreme Weather/Hot Weather

Classes will not run if outside temperature exceeds 34 Degrees, or a Severe Weather alert is in effect - an email will be sent to all parents and we will update our social media in this instance. This is in the best interest of students & staff as our factory can get quite hot & dancing in these conditions is not only unpleasant, but also unsafe. We will make every effort to provide replacement classes in the case of Extreme Heat. No refunds or credits are entitled in this situation. Classes will be modified for temperatures over 30 Degrees.

Injury/Illness Policies

If any injury/issue occurs where 1st Aid attention was administered to a student (even just applying an icepack) an injury report will be filled out by a member of staff. A copy will be sent home with the student. Should an injury require an ambulance to be called, parents hereby agree to Studio 22 requesting the ambulance on your child's behalf.

If a student has an injury or illness they are managing in class they must let management and their teacher know in writing before the class begins. Students with injuries or minor illness(non-contagious) are encouraged to still attend class to watch as to not fall behind their class/team. Students with serious or ongoing injuries must bring a note from a parent/guardian & full Medical/Physio Certificate stating what they can & cannot do in class. Allstar Dance Competitive Teams require a full Medical/Physio Certificate of illness/Injury if it results in an absence.

Photography and Social Media

All Students agree to having their photos taken and used on social media and advertising upon enrolment. If you wish to exclude your child from this, you must let us know in writing.

Any student, parent or other person affiliated with Studio 22 found to be portraying Studio 22 in a negative light on Social Media will be asked to remove any media and may result in removal from the studio.
