## Division Draws and Scoring

All Round Robin Matches are subject to a 20 min time limit. This provides 10 minutes in-between games for players to turn in scores, grab water, and switch to the next court.

Each division will have a different amount of round robin matches depending on the number of players in the division. Additional games will be played for playoffs and finals.

### Scoring:

All games are first to 11, win by 2, or the team with the most points at the 20 minute time marker.

Time Reminders will be announced 15 minutes into game play, and 18 minutes into the match.

The 18 minute time marker, is the **two (2) min. final warning**, Each side may call only one, (1) minute break during the 20 minute play period. No breaks may be called after the 2 minute time warning has been called.

Winning team should record the match score and turn it into court runners for processing.

### How to handle ties when time limit is called:

If the score is 10-8 at the time marker, the team leading the score will take the win.

If teams are tied (10-10, 8-8 etc) and time is called, **THE BALL IS STILL LIVE. Continue to play the point until the ball either goes out of bounds, someone has a foot fault into the kitchen, or the ball is not returned by the opposing team.** Whoever successfully ends the rally would take the win for the match... even if they are not the serving team.

Examples:

- The team who last returned the ball in the boundary play lines when the opposing team misses the shot would take the match.
- The team who does not conduct a foot fault in the final rally by stepping into the kitchen to hit a live ball if the other team does, would take the win.
