

Your help is needed!

The [Konrad Reuland Foundation](#) was created in memory of Konrad Reuland, who passed away in December 2016 at age 29 from a brain aneurysm. Konrad lived his dream -- playing football at Mission Viejo High School, Stanford University, and in the NFL for the New York Jets and the Baltimore Ravens. His enthusiasm and passion for life were exceptional. After his passing, Konrad helped save and improve the lives of over 75 people through successful organ and tissue donations.
