

## Downloading Carlson Software Demos

1. Follow this link: <https://web.carlsonsw.com/files/updates/updates05.php> to all Carlson Software products available for download.
2. To find the appropriate software download, enter or cut and past the Carlson serial number in the appropriate field. A demo serial number is provided to you by Geosymmetrics (your Carlson Software Dealer) See figure 1. Once this is done click **LOOKUP DOWNLOAD** and a list of software will appear below based on the serial number entered.
