The following agenda was discussed during the meeting

1	<i>Probation Declaration issue related to 2017 Batch AEE's</i>
Resolution Taken:	<p>It is well known that, due to delay of Probation declaration, some of the AEEs of 2017 PSC Batch are deprived of monetary benefits and regularization of their service. Keeping in view the well being of these AEE's, APAEEA WG Dt, have constituted a team to constantly pursue the issue with APAEEA, State Body and to ensure that the file is resent to the Secretariat after attending remarks from the Engineer-In-Chief (Admn) office, Vijayawada and to get the necessary amendment order from the Government.</p> <p>Recently the State Body has communicated that the file will be moved from the Engineer-In-Chief (Admn) office, Vijayawada to the Government during the first week of November. However, during the General Body Meeting it is resolved to once again address the issue to the State Body for speedy perusal at Secretariat. APAEEA West Godavari District Body have taken up the issue on top priority and it is constantly pursuing with the APAEEA, State Body to resolve the issue at the earliest keeping in view the well being of the AEE's.</p>
2	<i>Discussion on CPS, OPS & GPS.</i>
Resolution Taken:	<p>As we all known that, under CPS i.e., Contributory Pension Scheme, 10% of the Basic pay and DA of Government employee will be deducted and credited to the NPS (National Pension Scheme). The Government also contributes an equal amount to the investment account of NPS. On retirement, 60% of the accumulated fund can be received in lump sum by the employee. This amount would be tax free. However, the remaining 40% of the fund is mandatorily used to receive annuities. These annuities would be taxable. Whereas in GPS i.e., Guaranteed Pension Scheme, a fixed pension at 33% of the basic pay drawn at the time of retirement will be offered when compared to the current fluctuating CPS of 20%.</p> <p>As you are aware of the fact that, until today just a handful of A.P State Government Employees, recruited under the CPS regime have retired from their service. Therefore a conclusive assessment on the pension received under the CPS is yet to be ascertained. As most of our association members are not aware of the retirement benefits under CPS and GPS. It is decided to upload a detailed comparison on</p>

During the previous General Body Meetings of the APAEEA, WG District, elaborate discussions were held on this issue.</p> <p>Constant follow up is done with the state body on this issue and recently the State Body has communicated that, the file is at the WRD, AP Secretariat. The file should go to Finance Department for approval, and then to GAD for consent and then it has to be passed in the cabinet for issuance of relevant GOs.</p> <p>However, during the General Body Meeting opinion of all the association members are taken on this issue and it is resolved to extend our support to the State body in constant perusal of this issue at Secretariat level and to succeed in Approval of PA to EE proposal.</p>

	<p>Returns, so that willful delay in processing the CRs at different levels can be avoided.</p> <p>It is resolved to once again address the issue to the state body with a request to address the issue to the higher authorities of WRD for implementation of online process for submission of CRs, as these will be considered at the time of promotions.</p> <p>Regarding the DA Arrears and TA Bills, elaborate discussions were held on this issue during the previous General Body Meetings also. It is understood that, the Government of Andhra Pradesh is not allocating sufficient budget towards the DA Arrears and TA Bills. Due to lack of sufficient funds, the DA Arrears and TA Bills of our AEE's are pending for clearance since years.</p> <p>In this regard, as per the discussions held during the General Body meeting, it is resolved to once again address the issue to the APAEEA State Body with a request to appraise the same to the Government to resolve the issue positively.</p>
5.	<i>Sub-staff recruitment to assist the AEE's</i>
Resolution Taken	<p>At present, the section level officers are looking after various engineering works like Execution works, Operation & Maintenance works, Water Regulation works etc., at field level without any assistance. Enormous discussions were held on this issue in previous as well as in the present General Body meeting.</p> <p>In this regard, as per the discussions held the APAEEA, WG Dt it is resolved to once again address the issue to the APAEEA State Body with a request to appraise the same to the higher authorities of WRD and to the Principal Secretary, WRD for taking necessary action to recruit the Sub staff for assisting the section officers.</p>
6	<i>Discussion on the role of AEEs in carrying out eviction of encroachments on the Canals, Drains and Irrigation properties.</i>
Resolution Taken	<p>The field level officers are very often facing encroachment problems under their jurisdiction. Many Spandana Grievances and RTI Grievances received by the AEE's are pertaining to Encroachment of WRD Properties.</p> <p>Due to lack of awareness on the process of eviction of encroachment of WRD Properties, notices are being served by the AEE's directly to the encroachers to evict the encroached property. As a result the AEEs are receiving the show cause notices from the Hon'ble Courts and</p>

	<p>from the Higher Officials of the Water Resources Department.</p> <p>A detailed discussion was held on this issue, during the General Body meeting. It is learnt that in many cases, the revenue authorities are forcing the AEEs to issue notices to the encroachers sighting the sections from the A.P Land Encroachment Act 1905, which are absurd.</p> <p>Therefore, it is resolved to prepare a detailed 'Case Study' regarding the role of AEE's of Water Resources Department, in dealing with the eviction of encroachments, duly quoting the various Judgments from the Honorable Courts and upload it in the Association Website https://apaceawg.in/ which will be very useful for all AEEs in tackling the Encroachment issues more effectively.</p>
7	<p>Discussion on further maintenance of the association website https://apaceawg.in</p>
Resolution Taken	<p>We are delighted to share that, all the Association members have expressed their happiness on APAEEA, West Godavari District (erstwhile) website https://apaceawg.in/. The number of website visitors has crossed 5000 in this one year duration. The Association members have opined to further enhance the website, and to keep on adding useful contents like model designs, model estimates, Case Studies etc., which would be useful to the AEEs.</p> <p>In this regard, and with the consent of all the attendees it is resolved to maintain the website, with association funds hereafter.</p>
8	<p>Discussion on commencing date for collecting the association membership for the year 2022-2023</p>
Resolution Taken	<p>The APAEEA, WG District (erstwhile) has already started the Annual Membership drive from the 1st October-2022 and the association members have responded positively and voluntarily paid the Annual Membership Fee through online transfer using Internet Banking and also through the UPI QR code.</p> <p>As on date, we are happy to announce that 50% of Annual Membership Fee collection is successfully completed and we hope that 100% Annual Membership Fee collection will be accomplished by the end of November 2022, with the cooperation of all our association members & Division Coordinators.</p>
