It is to inform that, it is a general and regular practice that the estimates of Electro Mechanical items from all the units of Water Resources Department in the Coastal Region are sent to the O/oGeneral Superintendent, PW Workshop, Seethanagaram for vetting purpose. Apart from this, the division is also involved in conducting QC Checks during execution of Electro Mechanical works and also inspecting the Electro Mechanical works during Pre & Post Monsoon seasons.

Further, it is to inform that, the Technical Control over the division of General Superintendent, PW Workshop, Seethanagaram has been changed from Irrigation Circle, Guntur to QC & QA Circle, Nuzivid vide reference 1st cited. It is usual practice that the estimates costing above Rs. 10 lakhs is final authenticated by the Superintending Engineer, QC & QA Circle, Nuzivid. Now the final authentication powers are streamlined as stated below:

1. If the Electro Mechanical component cost is less than or equals to Rs. 40 lakhs. General Superintendent, PW Workshop, Seethanagaram is the competent authority for vetting
2. If the Electro Mechanical component cost is more than Rs. 40 lakhs and less than or equals to Rs. 200 lakhs, Superintending Engineer, QC & QA Circle, Nuzivid is the competent authority for vetting.
3. If the Electro Mechanical component cost is more than Rs. 200 lakhs, Chief Engineer, QC WING, Coastal Region & APERL, Dowlaiswaram is the competent authority for vetting.

To
1) Superintending Engineer,
Q.C & Q.A Circle,
Nuzivid.
