Rest Area – KORINOS 

(NB KORINOS IS JUST OVER ONE HOUR'S DRIVING FROM THE AIRPORT. A pleasant place to relax if you have time to spare, knowing that most of the journey is behind you)

NB Potentially confusing turn-off for KORINOS. Don't take first exit you see! There are misleading signs "Korinos 1000m" then "Korinos 500m" and "Customs". Stay on the motorway until large SHELL sign and services are clearly visible.
