## **New Client Checklist**

**Please send the information listed below 48 Hours prior to scheduled visit**

- Order for “*Wound Care Plus to Eval and Treat*”
- Consent for Treatment and Privacy Notice Signed  
    Fax back all 7 pages
- Face Sheet
- History and Physical
- Insurance Cards
- List of Current Medications

*If possible, please also send:*

- Applicable Labs or Tests (Last 3 months)

**When adding a new client to caseload please fax the above information at least 48 hours PRIOR to ensure we can treat the client at time of clinic rounds. If this information is not received 48 hours prior to visit we will not be able to see the client until the following week.**

**If the client was previously on services with Wound Care Plus and needs to be added again for services only an order is required. Please obtain a new order for “*Wound Care Plus to Eval and Treat*” and fax to our office.**
