# JB FOUNDER & STRATEGIC COACH

Helping purpose-driven individuals build wealth across every dimension of life: spiritually, mentally, socially, physically, and financially.

With more than 15 years of experience guiding clients toward clarity, confidence, and impact, JB specializes in coaching individuals and organizations to build lives and legacies that reflect intentional purpose, not default circumstance.

Armed with a Master's in Organizational Leadership & Innovation with a Financial Management focus, and certified through the Fierce Coaching Program, JB brings a rare blend of strategic insight and emotional intelligence. Her coaching centers around five powerful pillars: connection, resilience, delegation, feedback, and accountability.
