

SAR Donor Historical Artifact Program

SAR Education Center and Museum Project

Selected artifacts for sale to the SAR are presented to members for purchase and donation to the SAR Museum Collection.

- Artifacts arriving at SAR Headquarters are checked-in by staff
- Each artifact is given a distinct accession number for tracking and to maintain records, donor information, and provenance
- Artifacts are then cataloged and housed in climate-controlled secure storage at SAR Headquarters

Before

After

Waxing performed 12.7.2018

British 3 pounder all brass cannon barrel used and captured at the Battle of Saratoga in 1777.

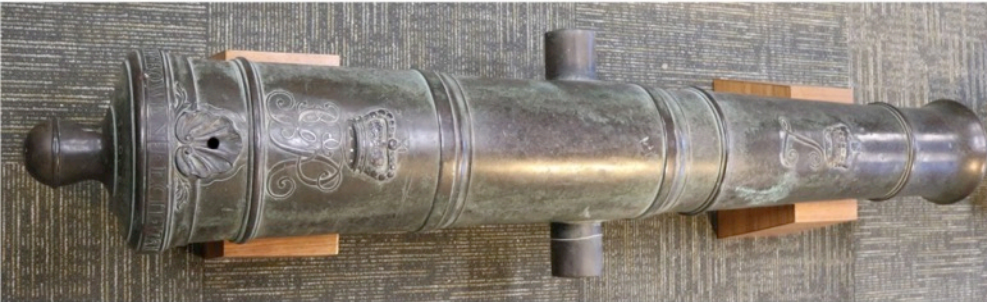

Note the bend in the barrel due to being fired too many times in the battle without allowing for it to cool down.

Permanent museum loan from the Pennsylvania Society SAR

Before

After

Waxing performed 12.7.2018
