### Birmingham Chapter

#### About the Chapter:

Patriotism and camaraderie are emphasized in the work of the Birmingham Chapter Sons of the American Revolution as the chapter participates in various activities at the local, state, and national levels. Some of these programs involve the education of youth attending primary, secondary, and college level schools.

We also promote education of the general public in the principles of freedom as exemplified by our ancestors who fought and supported the cause for independence during the American Revolution.

#### Meetings:

The Birmingham Chapter meets monthly (except February and July) on the Third Tuesday of the month at twelve noon at The Club atop beautiful Red Mountain. Each meeting consists of lunch, chapter business, and a program discussing genealogy, people of note, and events surrounding the American Revolution. Speakers range from National Society Officers, State Society Officers, historians, re-enactors, educators, authors, and experts in their fields.

The chapter schedules after work nightly social events throughout the year held at The Club. These socials are open to compatriots, prospective compatriots, and is way we further our friendships to promote the ideals of the Society. During these events we celebrate the accomplishments of our ancestors, the heroes of the American Revolution, and the authors of our freedoms. We look forward to welcoming new compatriots to our local, state, and national societies.
