A LEVEL OF DISTINCTION ALL ITS OWN.

With the introduction of our first-ever micro-compact 9mm, the all-new Taurus GX4™ boldly outclasses anything else in its class—reaching unprecedented new heights in concealed carry firearm engineering, ergonomics and innovation. On the outside, there can be no doubt that every streamlined inch of this rugged striker-fired semi-auto was meticulously crafted for EDC readiness and reliability. While a game-altering combination of full-sized capacity, accuracy and power resides within its ultra-concealable one-inch-wide reinforced frame.

Rio Bravo

The Rossi Rio Bravo is based on the company's popular line of R92 lever-action firearms. Featuring a rich German beechwood or rugged black polymer forearm and stock with polished black metal finish, the Rio Bravo brings the true rifle experience to the rimfire category. The Rio Bravo is well-suited for small-game hunting, adventurous target shot around-the-farm pest control, and can be used for youth training.

All Rio Bravo are:
 • 22 LR
 • 15+1 capacity
 • 18" Free Floating Barrel
