*\*\*Read This Before You Tap\*\**

**Red Flags in a Text Message:** ☐ Unknown number or strange email address.  
☐ Says “urgent,” “final notice,” or “your account will be closed” ☐ Wants you to click a link to “fix” a problem ☐ Asks for personal info, codes, or passwords ☐ Says you won a prize you didn’t enter ☐ Tells you to pay with gift cards, Zelle, or crypto.

**What to Do Instead:** ☐ Don’t click the link ☐ Don’t reply with personal info ☐ Delete the message or mark as spam ☐ If it seems like it might be your bank or delivery company, call them using a **known number**, not the text

**Simple Rule: If the text makes you feel scared, rushed, or confused; STOP!! SHOW IT TO SOMEONE YOU TRUST.**
