

September 6, 2023

Dear Fauquier Business Leader

Thank you so much for your continued generosity toward our neighbors in need through Feed Fauquier. Over the past nine years, over 2250 people from our community have come together to see over 400,000 meals assembled to service our local food banks. Your donations over the years have been a significant part of this effort.

Although we have done good work in this time, the need remains great. Our local food banks have seen a 30% increase in demand over the first quarter of 2023. To help answer this demand, along with celebrating our 10th year, we will be hosting Feed Fauquier 2023 on November 11th at The Gathering Place (650 Alwington Blvd) and doubling our goal to 100,000 meals. This will take us over the half million meals packed for the past decade.

A goal this large will take more volunteers, more hours, and more donations. It will also mean more opportunities to give, to serve, to build up your team and to make new connections. Our financial goal is \$40,000 to pay for the food that will be assembled into the meals. These meals have been expertly created by Outreach Inc. with nutritionists to provide excellent nutrition and great taste.

With all of this in mind, this is our invitation to you to join us in this significant effort. As usual, you can help out one of two ways:

• **DONATE** –You can help make a donation of various amounts to help pay for the food being used in these meals. The levels of donations are listed below and each has a corresponding level of advertisement for your business. The levels have been adjusted from previous years to accommodate the larger goals

- Feed A Friend - \$1 -499
- Feed A Family - \$500-2499
- Feed A Neighborhood - \$2500 to \$4999
- Tenth Anniversary Partner - \$5000 and up

• **PARTICIPATE** – Or you can get a group from your business and use this event as a team building time. If your workmates are not up for it, enlist your family, neighbors, or folks from your child's soccer team.

As always, we would love to have you be a part in either or both ways for this tenth year experience. If you have further questions about the event or getting involved, please contact us at [admin@cornerstoneva.org](mailto:admin@cornerstoneva.org).

We hope that you will consider being a part of this fun and significant event!

Sincerely,

Mike Poff  
Pastor

10th YEAR - 100,000 MEALS
