

# Preschool News!

June 2021

Throughout May it was local community history month. Group 1 visited the Library & train station in Ashton, they also had a bus ride back to nursery. Group 2 visited the 3 Sister's and a local community shop. When the children came back to nursery they liked to use different construction materials to re-create their very own buildings. The children have also celebrated Star Wars day and Lesley-Ann was very kind and brought in her Stormtrooper helmet, Xwing pilot helmet and light sabers for the children to try on. The children also took part in Space Day, we enjoyed building a rocket using junk modelling materials. Whilst the children did this they liked to listen to space songs and talk about the different planets.

## Staff News

*Nicola is currently studying towards her Level 3 qualification in Forest School. From wc 7th June her role will change to Forest School Leader. She will be leading our Forest School sessions each week.*

*We are really excited that from 1st June Sophie will be joining our team. Sophie has over 16 years experience working in childcare and we are looking forward to welcoming her.*
