

# WATERTOWN JAZZ FESTIVAL

Watertown, Tennessee July 13th, 2019

The Event Committee for Watertown's Non-Profit would like to bring the level of quality jazz music to the festival next year that will bring a large crowd from all over to attend. To do this we want to book a headliner: **Bela' Fleck** to the show. The problem is that this well-known musician can only be had with a minimum of \$15,000. We have \$4000 already dedicated but need your agreed support before we will be able to book him.

Please let us know what amount you can contribute to this effort. We won't need the money until closer to the event, but we need to know we can count on it. Please consider what a benefit a player of this notoriety could bring to our town and pledge today.

## Jazz Festival Sponsor Agreement 2019
