

2019 WATERTOWN JAZZ FESTIVAL & AMERICANA DAY SPONSORSHIP INFO

Hello and Welcome to the Watertown's Free Music Days. We would like to thank you for allowing us the opportunity to present you with our sponsorship proposal. On June 8, Watertown Americana Day will feature music with roots in America all day starting at 8 am on the small town square. A large car show will also be a part of the event with over forty awards being presented. The Watertown Jazz Festival has been a cultural staple in Middle Tennessee for over 20 years. Music lovers and culture seekers travel out to Watertown's historic town square every July to experience everything the town has to offer. The festival began in 1995 at the hands of the late Sharon McComb, a long time Watertown resident and Bed & Breakfast co-owner. McComb turned a seemingly small festival into a force to be reckoned with. Artists such as Boots Randolph, Annie Sellick, The Vantrease Family and Bonnie Bramlett graced the stages of Watertown with their impeccable talent. If you have any questions regarding the sponsorship tiers or are interested in other ways to donate, please don't hesitate to contact me or any of the festival board members. I would like to personally thank you for taking the time to read our sponsorship proposal. We believe our sponsorships will provide an exciting marketing opportunity for your business and we would enjoy the opportunity of working in partnership with you.
