COW HOUSE
AUCTION
KIRTLAND, NM

APRIL 18, 2026

About Us

Located in the heart of a small, close-knit community, our family livestock auction has been a trusted gathering place since 2007.

What began as a humble operation built on hard work, integrity, and a passion for agriculture has grown into a cornerstone for local ranchers and farmers alike. Over the years, we've been proud to serve generations of families, providing a place where neighbors come together, business gets done, and traditions are honored.

While times may change, our commitment to honesty, community, and quality remains the same. With deep roots in the past and a strong vision for the future, our family is proud to continue serving the people and livestock industry that have supported us from the very beginning.

Thank you
