Welcome anglers to the opening CWT event of 2021 at Chatfield State Park! **THANK YOU TO ALL OF OUR SPONSORS FOR SUPPORTING COLORADO WALLEYE FISHING.** In this email you will find your Boat# and your PIN# for this event. Any public team information will be posted using your PIN#. Your PIN# is confidential during the event and is known only to you and CWT staff. All day 1 results will be posted on the CWT website under the tournament results tab after the day 1 results are known.

We would like to remind all anglers the rules for all CWT events and how to document your catch are located on the CWT/All Eyes on Fishing website at www.coloradowalleyetrail.com. As Colorado's premier Walleye tournament series, the CWT values sportsmanship and respect for your fellow competitors. Please use good judgment when fishing around other anglers and be respectful of their space. **It is the SOLE responsibility of every angler to have read and understand the rules and to ask questions prior to launch.**

There will be a Google Meets rules meeting at **7pm** on Thursday evening **April 29, 2021**. Use the link provided to join the meeting. The Google Meets meeting is mandatory for at least one of the team members. We are requesting all boats be pre-inspected and tagged prior to Saturday morning to help with ANS inspections. ANS inspections and CWT boat inspections will begin at **6am** Saturday May 1, 2021. At that time, you will be given your tournament packets which will include your boat#, score card for day 1, pens, exclusive tournament angler decals, and a CWT custom measuring board. **Please have the Angler from the boat, exit the boat and contact Mitch at the check in table by the ANS shack to check in and receive your packets, while your CO-Angler waits in line for ANS inspection.** Your measuring boards will have a number on the board, and it will coincide with your boat #, all boards **MUST** be returned to the CWT on Sunday afternoon or you will be charged a replacement fee. We request all tournament packets be returned at the time of check in Sunday afternoon (zip lock bags, measuring boards, boat number and clip boards). CWT staff will be available for questions and to begin check-in starting at 5:40am Saturday morning.
