POLICIES

Class Level Advancement

Dance levels do not mirror school levels. Students do not advance automatically to the next level each year. Our goal is to ensure students master proper technique and have the necessary strength to perform certain combinations and steps to meet the demands of the next level in the curriculum.

A student's recommendation may ask they take two levels of a dance style. Often, working in two levels simultaneously, dancers see improvement in their technique, strength and confidence. We recommend most students double-up and/or repeat a level at some point. Typically, starting with ballet 3, it is common for students to repeat each level.

After a couple of months of class, students are evaluated in both levels by the instructors and Ms. Marla. Then, a decision is made if the previous level can be dropped or if the dancer needs to continue with the previous level.

Class Attendance

Students are expected to attend all classes and make up those they miss. Please notify the office when your child will be absent from class. An absence may be made up any time within the current semester either in the same level or a lower level. Students unable to participate physically in class are encouraged to observe to reinforce the learning process. Tardy students may be asked to observe class.

Conduct

The Dance Arts Center reserves the right, after consultation with a parent, to suspend or dismiss, with no tuition refund, any student whose attitude, attendance, or conduct is deemed unsatisfactory or dangerous to themselves or others. Bullying via social media or in person will not be tolerated. Any student who engages in bullying may be subject to disciplinary action up to and including dismissal from the studio.

DAC is a Safer Studio

The Dance Arts Center follows the More Than Just Great Dancing Safer Studio Guidelines which prioritize a hierarchy of safety and wellness measures.

Safer Studio Policy

DAC reserves the right to deliver class content via an online system in the event that classes are not able to be conducted live for any reason including, but not limited to: weather, teacher absence, or governmental mandates.

Weather Cancellations

We will post weather-related class cancellations on our website, Facebook and Twitter. Dance Classes are NOT always cancelled when school is cancelled due to weather. Please check the website or call the office at 816-233-5442.
