

## About Voices of Courage Child Advocacy Center

All the proceeds from tonight's benefit go to Voices of Courage Child Advocacy Center. We are so grateful that you came out and gave of your time and money to this wonderful organization.

The Advocacy Center is a multidisciplinary not-for-profit agency which serves Northwest Missouri children who have been sexually or physically abused or severely neglected. Before the Advocacy Center was established, children who had been abused were often interviewed numerous times by different agencies in places designed for adults. The Advocacy Center provides a child friendly environment to conduct one, research based, forensic interview that all agencies can use to conduct their investigation and prosecution. The Advocacy Center also provides counseling for all child victims of abuse. The Advocacy Center serves children aged 2-17 from 10 counties in Northwest Missouri. All of our services are free.

The Advocacy Center could not survive without donations. Whether you donate financially or give something from the wish list, **you make a difference in the life**

**Thank you to our sponsors!  
You are a huge part of our success!**
