## THINGS THAT SHOULD BE ON YOUR 'FRONT BURNER'

### OUR NEXT PROGRAMS!!

**Aug 22, Thu @ 7:00pm**  
**From Traditional to Contemporary: "Releasing the Artist in All of Us" by Eileen Sullivan**

Eileen's presentation is certain to speak to all types of quilters and inspire us to venture into new quilting territory. She was among the first to present foundation piecing as a way to create art quilts. Her "When Grandmother's Lily Garden Blooms" is in the permanent collection in Paducah.

**Aug 23, Fri 10:00am - 4:00pm**

**"How Does Your Garden Grow" Eileen Sullivan Workshop**

\$40 class fee due with sign up. The thrust of the workshop is to develop unique, individual floral gardens from the numerous blocks given in handouts. Class work will complete several blocks then move on to composition, 'sew-able' arrangements, variations and preplanning an entire project. Check out website:

[www.thedesignersworkshop.com](http://www.thedesignersworkshop.com)

**Fri Sept 6, 1:30 pm at HTCC**

#### Note Schedule Change

**For the remainder of this year Board Meetings will take place each month at Noon on the day of the daytime guild meeting.**

As I write this, I am just leaving my monthly meeting with my friendship group formed in 1998. I asked politely to get each of them to write a sentence and nobody would write my article for me. They all knew it was due today! I forgive them because they are the best!

It is so wonderful to be a member of such a fun and active guild. We welcomed our newest member Joy to our last meeting. That makes 112 members! This is fabulous and with this many members there are lots of small friendship groups to join.

Our Community Service committee has given all of us a great challenge this year. We have almost 40 quilts completed ready for A Baby's Helping Hand

in Atlanta. Our goal is to provide 80 quilts for these young mothers. The guild has shown us how teamwork works with this project. Someone makes a quilt top then the next person quilts it and onto the last person to do the binding. Thanks for everything you are doing to make this a success.

It's that time of the year to find new volunteers for the 2020 QGSC Officers and Committee Chairs. Jane Coleman and Phyllis Coppolino are the nominating committee for 2020. When you see or hear from them just say YES! So many positions to fill and we need YOU. Everyone has a special talent and that's what makes us great.

Evie

### Nominating Committee

Phyllis Coppolino and Jane Coleman

\*\*\*\*Ask not what your Guild can do for you.....

\*\*\*\*You get out of it what you put into it.....

\*\*\*\*The achievements of an organization are the results of the combined effort of each individual.....

**Yes, that's motivation straight from the 2020 Nominating Committee! We need a few folks to step up and participate in providing the framework of the Guild for 2020. Think about how you can use your skills to fill one of the following positions available next year.**

- ◆ **Daytime Facilitator**....coordinates with President to make announcements and keep the daytime meeting running smoothly.
- ◆ **Treasurer**....Excel and bookkeeping skills are a plus.
- ◆ **Raffle Quilt Sales and Marketing Team**...seeks out opportunities to display the quilt and sell tickets throughout the year.
- ◆ **Community Service**....Chairperson and committee needed to store fabric, coordinate quilt donation opportunities and deliver quilts.
- ◆ **Refreshments, Night Meeting**..... In charge of annual guild birthday party celebration in Summer and December potluck dinner. Meeting refreshments provided by members. Provide bottled water.
- ◆ **Silent Auction**....this is a fundraiser for the Guild. Chair will collect donations from members during the year, organize baskets and set up Auction at December meeting.
- ◆ **Programs 2021**.....Chair/Committee will work in 2020 to plan and schedule speakers, programs and class activities for the 2021 Night meetings. In 2021, they will execute and oversee the planned activities.

Contact Jane Coleman, or Phyllis Coppolino to volunteer your services. We need a full slate of nominated officers and committee chairpersons before the end of September!

**Wilma Johnson****QUILTERS GUILD OF THE SOUTHERN CRESCENT****UFO HARVEST: 2018-2019**

- The Goal of the UFO Harvest is for members to reap the benefits of completing their Unfinished Objects.
- Unfinished Object ("UFO") is a quilting project, of any type, that is Under Construction ("UC") or Ready to Quilt ("RQ") as of Oct. 1, 2018 and is listed on this sheet.
- "Completed" means that the project has progressed to being Ready to Quilt ("RQ") or Finished ("F") by the October 2019 meeting.
- The Harvest will culminate in some fun (maybe silly) awards and prizes. No "quilt police" are involved and members are on the honor system.

**Status Definitions:**

- ◇ "UC" or Under Construction means that you have a design or pattern, have assembled your fabrics and have at least begun to cut or stitch your project.
- ◇ "RQ" or Ready to Quilt - means that the quilt top is complete and ready for quilting, including the backing and batting.
- ◇ "F" or Finished - means that your project is quilted, bound (if needed) and ready to use or display.
- While not required, we do look forward to seeing your UFO quilts in Show and Tell throughout the year!
