## PRESIDENT'S MESSAGE — JANE MCAFFEE, PRESIDENT ELECT

Greetings from one of the many "Janes" in the Guild. Last fall I asked Wanda for more information about an open position, and ended up being encouraged to consider a two year commitment. This year I am working alongside Kristin and will be taking over her responsibilities as President in 2022. I appreciate Kristin's leadership and I look forward to getting to know many of you over the coming year.

I haven't found my quilting niche yet, although I lean toward modern and enjoy exploring improv quilting. I love collecting fabric and starting new projects. Consequently, I have a closet full of fabric and UFOs.

Sharon Pope did a great job at the Day Meeting this month. I love how she walked us through making the bags and her great tips and tricks. I've been working on the fat quarter bag. I'm glad she demonstrated with a small version. This bag is huge! Thanks, Sharon, for sharing your expertise with us.

Speaking of expertise, there is so much wisdom in this Guild! I remember feeling a bit intimidated when I first joined. I wondered if there was room in this group for me, a quilter who likes to create but isn't wired for perfection. One big thing I discovered is that quilters are naturally welcoming and encouraging.

Whether you are new to the world of quilting or have decades of experience, this group is a community where you can show your creations, share your knowledge, and learn from the best. I've also found that in this year of transition to Zoom meetings, I love not having to pack up my sewing machine. I just turn on the computer, notebook or smartphone and have an instant community.

This newsletter is packed with information about meetings and opportunities. Please read through it and jot down the items you don't want to miss. And don't forget to drop off and pick up items on March 27, "Membership Day", at Fayette Presbyterian Church parking lot. Check out Page 3 for more information.

We would love to hear from you. If you have an idea to share, a question, or are able to volunteer some time, please send an email to [qgscquilters@gmail.com](mailto:qgscquilters@gmail.com).

## GUILD OPPORTUNITIES

Kristin Slagle

### Membership Day

Make plans to drop by on **Membership Day: Saturday, March 27, 10 am-2 pm at Fayette Presbyterian Church** located at 791 Forrest Ave (Hwy 92) Fayetteville. Much like the auction pick-up last December, we will be in the side parking lot distributing membership cards and annual raffle ticket allotments. You may also purchase more raffle tickets and conduct guild business such as dropping off finished community service quilts, make auction donations, swaps etc. If the weather is nice, we'll have a few refreshments. If it's raining we'll do it drive-through style without all the extras. Masks required for the safety of members who are not yet fully vaccinated.

See you there!

### Many Hands

Remember the old proverb "many hands make light work?" For some reason it always reminds me of a quilting bee photo with everyone around the frame helping to get that beautiful quilt finished. Our guild has been successful because of the many hands in the past and it's still true.

We need many hands to help make the work light. We really need these volunteers now to help us get things planned and ready for next year. We are enjoying this year's programs because Myla and Joann volunteered and started planning for us last year.

### Volunteers Needed:

**VP Programs** - Coordinates the four Day and Night Programs committees, assists current committees with marketing their activities, lectures and workshops and serves on the executive committee.

**2022 Day Programs Committee Chair** - Plans and carries out a program of activities for each evening meeting for 2022. (May include lectures, workshops, demonstrations, tours or other fun quilt-related activities.)

**2022 Evening Programs Committee Chair** - Plans and carries out a program of activities for each day meeting for 2022. (May include lectures, workshops, demonstrations, tours or other fun quilt-related activities.)

**2022 Raffle Committee Chair** - Oversees construction and finishing raffle quilt, coordinates ticket sales, oversees the sales, draws the winning ticket.

**GUILD OPPORTUNITIES - CONTINUED**

**Future of Guild Raffle Quilt**

At April's guild board meeting, we will discuss the future of the guild raffle quilt as an annual activity. I've had quite a few people contact me this past week after seeing the beautiful East Cobb Quilters Guild raffle quilt, asking if we could do something similar to what they are doing: exhibiting it at the SQTM, selling tickets virtually, etc.

At the heart of it is that there hasn't been any interest from anyone to chair the committee to do the work of organizing it and selling the tickets. I understand why. It can be a lot of work: finding venues to sell tickets, hauling the quilt around, making sure that there are volunteers manning a table to sell, having a cash box with change, turning the money in to the Treasurer, etc.

ECQG seems to have eliminated some of that but it still boils down to still needing a guild volunteer to set up a virtual store, do the accounting, ensure that all internet protocols are there for safety, security and transparency.

That being said, the \$10 per member ticket allotment represents \$1000 of our annual income so there needs to be careful thought put into how we might ensure that we have funds to cover programs and other guild expenses.

And, I do think we all enjoy the group process of making the raffle quilt, the excitement of the unveiling and the image of what the quilt represents to us as a group.

So, I'm not suggesting that we will never do another raffle quilt. Perhaps we could have the fun and excitement of making a group quilt but then donate it to a non-profit community organization for them to raffle off, place in a silent auction, or hang in their offices. Maybe that change would encourage someone to volunteer to chair the committee.

Anyway, please reach out and share your suggestions, ideas or volunteer to chair the raffle committee before we meet in April.

**MEET A MEMBER - JOAN WILLCOCKS**

Judy Daymont

You probably know Joan Willcocks for the AMAZING ribbons she makes each year for the winners of the Guild's annual Challenge quilt, but there is more to this 16-year member of QGSC and Air National Guard veteran. Joan took time away from renovating her "new" home in PTC to fill us in on her quilting journey.

Like many of us, Joan learned to sew in order to make her own clothes – this is "back in the day" when we wore only dresses to school! She started quilting in 1983 when a few of her co-workers decided to learn to quilt using a "Quilt In A Day" pattern. After mastering the use of the rotary cutter, Joan never looked back, and continued to quilt from then on. By the way, Joan resurrected that first quilt, took it apart, added some coordinating fabric, quilted (it had been tied) and bound it. She donated it to Community Service a few years ago. She joined her first guild in 1991 when she realized, *"You don't have to be good to join a guild, just curious"*.

Joan is a self-described "technique junkie". She likes to add dimension to quilts using folded fabric, yo-yo's, prairie points and the like. We have seen her apply embellishments to quilts, including beads, buttons, braids and trims. Her favorite block is a log cabin (the pattern of her first quilt) as it is so versatile. Currently, she is part of a small group creating experimental art quilts.

Joan has always been generous with her time, talent and stash – so it is no surprise that she donated our **2021 Raffle Quilt**. See Page 6. The quilt was originally called "Fifty Something" because it was started when she was 50 and it contains over 50 different fabrics. Joan re-named it "Pinwheel Garden" as it is based on the double pinwheel block by Jean Wells. Comprised of greens, blues and light neutrals, the quilt has an inner border where the edge of queen bed would be, upon which Joan has added dimensional applique.

Next time we all get together, seek out Joan to say "Hi!" You may, or may not, recognize her from her self-styled avatar at right.
