

PROPOSAL

PRW GROUP, LLC

June 1, 2026

Client: Eastfield Slopes Condo Association, 805 E Bloomingdale Ave. Suite 772 Brandon, FL 33511

Project: Eastfield Slopes WWTF - Permit Renewal & FDEP Plans (2026)

Project Summary: The WWTF operates under FDEP permit FLA012223. The current operating permit expires on August 17, 2026. Since the application should have been submitted 80 days before the expiration, this will require an expedited process. There is no assurance that a new permit can be issued before expiration of the current permit. This project is to prepare an **expedited FDEP permit renewal application**, including Power Outage Contingency and Collection System Action Plans (required by FDEP as of 2023). Additional services to address compliance issues are not included in this scope of services.

SCOPE OF SERVICES

Item	Tasks and Descriptions
1	Site visit to review system and gather information for the permit application and Plans.
2	Coordinate with EPC staff on information regarding the permitting and compliance issue.
3	Obtain, compile data and analyze 3 years of FDEP DMRs & 1 year of water demand.
4	Prepare permit attachments (process flow and site plans)
5	Prepare permit applications - Forms 1 and 2.
6	Prepare capacity analysis report
7	Prepare O&M performance report
8	Prepare power outage plan and submit to the agency.
9	Prepare collection system action plan and submit to agency.
10	Respond to requests for additional information

NOTE: Permit fee of \$1,000 is not included in fee estimate and will be paid by the Owner.. Scope excludes preparation of record drawings, O&M manuals and work related to non-compliance issues.

ESTIMATED FEES

Tasks 1 through 10	\$8,515.00
Direct Costs (printing, mileage, etc.)	\$180.00
Permit Fee (to HC-EPC)	\$0.00
Total	\$8,695.00
