## Freedom Center Ministries Inc.

April - May - June 2022 news

Greetings to our beloved Family and Friends,

The Spring and Summer days have been steady! God is at work. During this part of the year, is when our backyard garden is in the ground. The ministry will assist our neighbors with food from God’s abundance. Freedom Center Ministries is two-fold, we work with locals and missionary teams. After the Center closed one day, we took a local woman with no funds to Food City for groceries. Another time we served two local men with compassion and generosity; we prayed for them and put gas in their cars to travel for a doctor's appointment and to take care of his mama in the hospital. Please pray for the wife and mama! God is at work.

One of our neighbors is in the hospital with his young family at home, the mother is back and forth on the road. We have assisted with food, gas, and groceries, also mission teams have given meals to them. The family is very thankful and appreciates the prayers. The mission teams come to serve God and with us at FCM. Our ministry is to direct and guide the teams and to love all neighbors that journey our way.

In April, The Bridge Church of Goldsboro, North Carolina sent a great volunteer team of teenagers and leaders. They had a fun Saturday! After 5 hours in Looney Creek, they gathered 175 bags of trash and 600lbs of metal and debris. Along with baby strollers, bicycles, a baby doll house, car parts, water hoses, metal pipes, and mattress springs. They appreciated a cool swim. We are thankful for these kids, they enjoyed God's mountains and creeks.

Our sweet friends, Joe and Darlene Schlichte from Summerville, SC brought donations that are on FCM needs list. They are a blessing to God's ministry and missionaries.

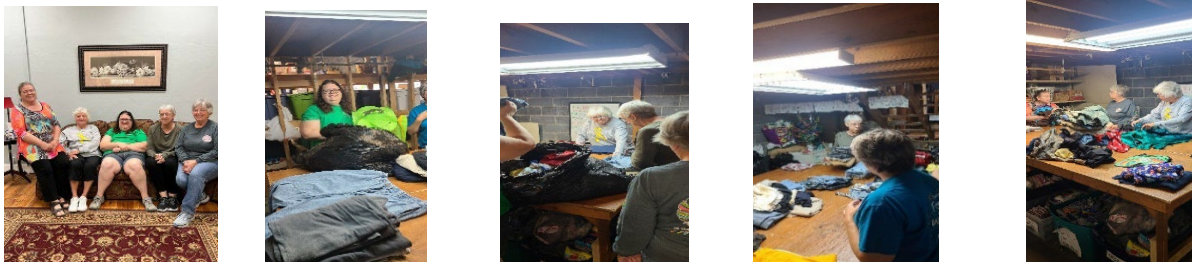

The Eastern Kentucky Sunshine Women included South Carolina and Kentucky. They worshipped in song, prayed walked, prayed for missionaries, served in the shop, and cleaned the warehouse and shop. They brought donations that have blessed the folks.

A South Carolina mission team from Riverland Hills BC Irmo, SC had planned a normal trip. To serve the Lord, share Bible devotions, and be flexible. But God knows best, He rearranged the plan, and covid went through the team. The team leader's covid test was negative, so he prepared the meals and made trips to the grocery store and the pharmacy. However, some of the team had milder cases and worked through it. Other team members showed a positive test and were quarantined. At the end of a 2-week journey, we got more accomplished than planned! God is good and on time.

The Illinois women's Appalachian Mountains mission trip. God was good as they served with the Tri-City ministries. We had a wonderful time at FCM.

Hope for Appalachia Mission came to thirty public schools in Kentucky during the Easter season. They host a mission trip each year where they have shared God's love and blessings with thousands of children each year during the Easter season. They brought hope boxes to each child containing school supplies, socks, personal care items, games, and Easter candy. Nine teams delivered over 12,000 Hope Boxes!

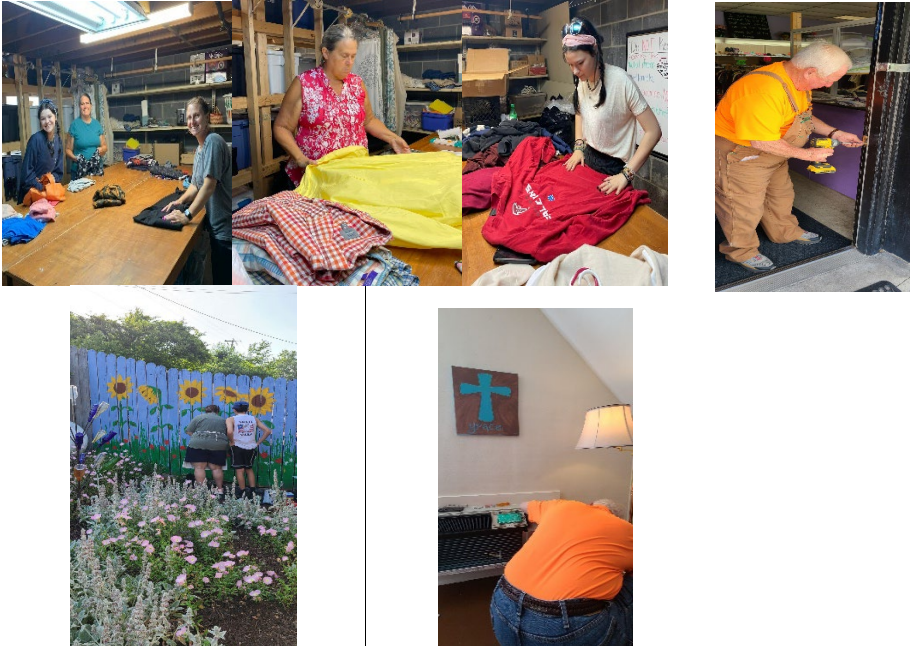

A little girl opened her Hope Box and found a doll wearing the same outfit that she was already wearing! God knows the exact box each child should get!!

Harmony Grove BC Cumming, GA brought a trailer load of donations on their annual mission journey. They served with FCM and at the Stables at Creekside Glen camp. They inspected, sorted a huge amount of donations, and stocked the shop. Also, made lunches each day!

A mission team from Union BC Iva, SC served at FCM and helped with a Bible club. They inspected, sorted a huge amount of donations, and stocked the shop. The men did carpentry work, patched a roof, and air-conditioner repairs. A woman and son painted a mural of Sunflowers on the fence. The women loved the children at the Club.

A couple came into FCM one day that we have ministered to for about four years; they said we want to get married. Then they asked if we could help. One never knows how God will use them. Just say yes to Him! So, we planned a wedding. Robin was excited to help and the couple was too. Got a pastor friend to counsel and officiate. Picked out clothes for the family and got the venue and flowers. The Kingdom Come State Park in God's creation made a beautiful venue.
