Social Saturdays

Social Skills Groups

Social Saturdays is a program that develops a child's confidence in their ability to navigate social situations and make healthy friendships. We tailor the program for all participants, taking into consideration the needs and backgrounds of the children involved. During these sessions children will be provided with the opportunity to develop their skills to:

- Share
- Take turns
- Join in games
- Express their needs
- Accommodate the needs of others
- Initiate play
- Make and maintain friendships
- Problem solve social situations
- Manage themselves in a small, play-based group setting on the farm.

These sessions are run by an experienced qualified teacher in consultation with a clinical play therapist. Contact us to discuss your child's needs and book in today. Sessions will run depending on numbers.

Available Sessions:

Social Saturdays have between 3 and 6 children. Two session times are available:

- 11:00am-12:30pm (Saturdays)
- 1:30pm-3:00pm (Saturdays)

Sessions starts from the 6th of May 2023 and run for 10 weeks.
