# OUR LOVE FOR NATURE AND ITS DETAILS SETS US APART

**Shinewell** is a young and growing company with a commendable 10+ years of experience in the laminates industry. Established in 2008, today **Shinewell** and its products reach over 18 countries all around the world. On the domestic front it has 10+ company depots, 100+ authorized distributors and 10000+ dealers. **Shinewell** has two state of the art manufacturing facilities dedicated to the production of laminates. With 4 presses, the annual combined capacity of these facilities is 19 million sq. mtr. In addition, **Shinewell** also boasts of a highly advanced plywood manufacturing facility.

Our offerings enhance the natural allure of your spaces, featuring inherent variations like distinct colors, textures, and unique weaves, all part of the design. These characteristics should be celebrated as unique qualities, not seen as defects. We take great care to provide accurate product descriptions and specifications, and we apologize for any unintended inaccuracies. Note that specifications and details are subject to change without advance notification. For color consistency, it is advisable to use products from the same batch.
