

Author Coaching & Editorial Services

From Manuscript to Market—With Strategy, Structure, and Support

Author Coaching is a high-touch, professional service for writers committed to producing meaningful, well-crafted work and preparing their manuscripts for the publishing marketplace. This experience integrates editorial expertise, strategic coaching, and publishing guidance to support authors from early development through submission readiness.

Whether you are refining an emerging manuscript or preparing for agent or publisher consideration, this work is designed to provide clarity, momentum, and excellence at every stage of your author journey.

Author Coaching Packages

Manuscript Starter

Investment: \$1,250

Author Momentum

Investment: \$3,800

Author Legacy

Investment: \$8,500–\$10,500

Each package reflects a distinct level of editorial depth, coaching access, and publishing preparation, allowing authors to engage at the level that aligns with their goals, timeline, and readiness.
