

# RATHCOOLE

## OUR SERVICES

### PLANT AND EQUIPMENT HIRE

Flexible wet and dry hire options for a range of machinery.

### CIVIL EARTHWORKS

All aspects of civil earthworks, from site preparation to project completion.

### FORMWORK

Rathcoole can provide effective formwork solutions to complex construction projects in Western Australia. Having worked with Peri™, RMD™, Acrow™ and other various formwork systems.

### LABOUR HIRE

Rathcoole can provide individuals, small man crews and full supervised & equipped construction teams to meet the needs of any project within the Civil / Commercial / Resources sectors.

### STEEL REINFORCEMENT

Our steel-fixing team supports us every day by consistently completing challenging and exacting reinforcement designs, in preparation for pre-pour checks and certification, prior to pouring.

### CONCRETE

Complete concrete services and placement.
