Adams, Sr., a distinguished two-time recipient of the Presidential Lifetime Achievement Award, frequent contributor and guest on Trinity Broadcasting Network (TBN) and THE WORD Network, and an honored inductee of the Morehouse College Martin Luther King Jr. Board of Preachers, proudly launches his new book and website – **CHANGE: From Jacob to Israel.**

Beverly Hills, CA – Bishop Kevin L. Adams, Sr., visionary leader, international humanitarian, and Senior Pastor at Olivet Baptist Church (OBC), announces the release of his groundbreaking book, **CHANGE: From Jacob to Israel**, co-authored with Craig L. Ervin. This profound work unveils the spiritual and personal transformation God desires for all believers—a transformation far beyond improvement to complete renewal.

Drawing from the biblical account of Jacob's struggle with God, Bishop Adams reveals the more profound significance of how God not only blessed Jacob but also changed his very identity, reshaping him into Israel. The book challenges readers to embrace this same level of transformation, leaving behind wrestling for blessings to allow God to change them from the inside out.

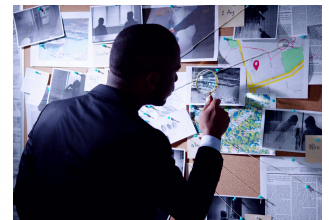

"God does not simply want to improve our lives; He wants to change them," says Bishop Adams. "Jacob asked for a blessing, but God gave him something greater—a new name, identity, and destiny. This is the transformative power of God's work in our lives."

A Life Committed to Transformation and Advocacy

Bishop Adams' legacy extends beyond the pulpit. Known for his unwavering commitment to justice, humanitarian efforts, and youth advocacy, Bishop Adams has spearheaded numerous initiatives to uplift communities locally and globally. His leadership has resulted in:
