

LAUNDRY CENTRAL

Laundry Central offers it's high volume customers added savings. Here is how it works:

1. Commercial customers need to use the FASCARD Loyalty Program (and have an active User Account).
2. To qualify as a 'Commercial User' \$500 needs to be applied to the User Account.
3. Once this is done your User Profile will be changed to 'Commercial'¹ and you will automatically begin receiving a 25% discount *at the washers and dryers*
4. Subsequent top-ups can be \$100 or \$500 denominations. Commercial Users don't qualify for smaller packages.

¹ Please email info@laundrycentral.ca when \$500 is applied to the account, then allow 12 hours for the update to happen
