

# How to wash a horse blanket

Before arriving please vacuum / shake hair and straw off the blankets  
Use Double - Load or larger washer. For best results only fill a machine half full.

Add ¼ cup of Sea-Salt or Epson Salt in the detergent pocket

Add 1-cup of detergent in the detergent pocket

Add ½ cup of Vinegar in Detergent pocket

When finished, kindly run 1 extra wash cycle with just vinegar (1-cup) to disinfect the washer for our next client.
