Overall Impact

All numbers listed below are since inception, 2017 through December 31, 2025.

Note: Our first Discretionary Grant Distribution took place in 2018.

Donations Received:

 2017 thru 2025 = **\$1,684,107**

CFRC Discretionary Grants Awarded (Directly from CFRC):

 2018 thru 2025 = **\$442,671** (26.3% of Donations Received)

Other Funding Sources, Discretionary Grants Awarded (CFMT Donor Advised, FOI Funds, etc.):

 2018 thru 2025 = **\$709,570**

Total Awarded to Nonprofits:

 $\$442,671 + \$709,570 =$ **\$1,152,241**

For every **\$1.00** awarded by CFRC, as an Affiliate of CFMT, an additional **\$1.60** is awarded through other CFMT Funding Sources. We refer to this as a Synergy Ratio of **1.60**. Synergy is referencing our affiliation with the Community Foundation of Middle Tennessee (CFMT). (Supporting Math: $\$709,570 / \$442,671 = 1.60$)

A prerequisite for a nonprofit is they must be registered with and in good standing with GivingMatters.com. Local nonprofits can apply annually to be eligible.

Allocations

Our Allocations Committee meets and reviews all Rutherford and Cannon County based grant applications and determines the allocated funds to be distributed within our community. Each grant is reviewed, and the overall needs of the nonprofit are discussed as outlined in the grant application. Allocations are distributed according to requested amount and other factors determined by the committee.

Annual Distribution (5%)

The United States government expects foundations to use their assets to benefit society, and it enforces this through Section 4942 of the Internal Revenue Code, which requires private foundations to distribute **5%** of the fair market value of their endowment each year for charitable purposes. The complexity comes in understanding how the 5% is calculated, and which expenses qualify. To learn more, click on the Blog link below.
