Dear Alabama Elks,

It is a great honor to serve all of you as President of the Alabama Elks Association.

I am looking forward to visiting Alabama Lodges this year and wish all lodges a great year. I plan to visit as many Lodges as possible this year and promote my motto "Hooping it up with Elkdom"

I would love to see Alabama Lodge's support all the Grand Lodge Programs this year. If there is anything I can help to support any lodge programs please feel free to give me a call and if I can't help you, I will get someone who can.

You have elected a great slate of Officers to serve this year, and I know they are working hard to make this a great year here in Alabama Elkdom. If any of our committee members can help you with their programs, please get in touch with them.

It is indeed going to be a fun year with Denise, and I getting to travel and meet all you members.

We look forward to visiting all of Alabama Lodges, and we hope to see all of you soon.

We hope all of you stay safe, healthy promote  
“Elkdom” every chance you get. Let’s all work hard  
to make Alabama looking good this year.

Fraternally, Lester Collins,

President, Alabama Elks Association

**CONGRATULATIONS State President Lester Collins and AEA First Lady, Denise!!**

The Alabama Elks Association have found you worthy of leading this great organization to a new level of success. You are following a positive trend set by last year's Administration and we are excited to witness your growth. With your leadership we have an opportunity to achieve many new successes and be a benchmark for other State Associations to aspire.

The AEA is off to a very good start to having one of the best years ever recorded. With the membership at "full speed" we may accomplish record setting benchmarks in the Elks National Foundation per capita (#8 Nationally as of this writing), in Membership growth, and in camp ASCCA more donations. What an exciting challenge we face! our Order is on pace to hit a new plateau in Membership and the AEA needs to be a leader among our peers. The Grand Lodge Billing System is a proven commodity for retention and current dues received. If your Lodge is not using the system, you are falling behind. The numbers speak for themselves as far as the value of using the system. FRS is literally saving Lodges weekly with accurate Financial Reporting to give credible financial status. The District Deputies have access to your financial position before it becomes a threat. Work with your District Deputies to insure your Lodge's financial stability. We are so fortunate to have so many tools at our fingertips to

ensure success. Go online to our Membership portal and see all the tools to help your Lodge succeed.

I hope the Alabama Elks Association can elevate its sights and goals to achieve greatness this year. Remember that the National Convention seating is based on the percentage of membership gain from the prior year! You have the Leadership and momentum to make a huge statement if you stay focused. With Special Deputy Rick Thompson and his wife, Paulette, teaming with President Lester and Denise and their administration, the sky is the limit.

Sandra and I look forward to witnessing a PROUD year for the AEA. We hope to see all of you in Perdido Beach in January. We wish you health and happiness along with a tremendous Elk year. We are honored to be your Sponsor and friend.

**BE LOUD, PROUD AND VISIBLE – Make the AEA STRONG!!**

Michael (Mike) F. Smith, PGER/PNP
