## PROFILE

Photographer/Journalist eager to build practical expertise and deliver compelling visual and written stories. Rapid learner with strong interpersonal and communication skills, punctual work habits, and a collaborative approach to developing assignments and meeting editorial needs. Seeks opportunities to grow technical proficiency in photography and reporting while contributing creative storytelling to newsrooms or media projects.

## WORK EXPERIENCE

**Ivar's River Pub - San Marcos, TX** 2020 - PRESENT  
Food Expediter Manager

- Managed kitchen-to-front-of-house coordination to ensure accurate, timely delivery of all food orders during high-volume service.
- Reviewed and organized incoming tickets, prioritizing orders to maintain efficient workflow and meet service time standards.
- Supervised and trained expediting staff on plating standards, ticket systems, and communication protocols.
- Supported management with scheduling, shift coordination, and performance improvement initiatives

**Assistant Multimedia Director** 2018 - 2019  
KTSW 89.9 - San Marcos, TX

- Assisted the multimedia director during weekly meetings
- Communicated any issues between the director and staff members
- Researched bands/musicians in the Austin, San Marcos, and San Antonio areas.
- Photographed live music and wrote concert reviews for the KTSW website.

**Photography Assistant** 2017  
Photography by Misty - Plano, TX

- Assisted lead photographer during studio and on-location shoots, ensuring smooth and efficient workflow
- Set up and broke down lighting, backdrops, props, and camera equipment
- Adjusted lighting and reflectors to achieve desired visual effects and maintain consistency across shots
- Performed basic photo editing tasks, including color correction, cropping, and file organization using editing software

## EDUCATION

**Bachelor of Science in Journalism** 2017 - 2020  
School of Journalism and Mass Communication | Texas State University

- Minor in Business
- Concentration in Digital Media
