

DONNA SNEED

WHO I AM

I am a Daughter of Zion. I love the Lord and I won't take it back. I've been licensed in ministry since early 2000's; Teacher/Preacher; married to my love, Pastor Samuel Sneed, Jr.; together we have 6 beautiful daughters and a whole team of grandchildren (14). Though I've been licensed in business since 1999, I've been privileged to work my career of 37 years; currently managing an amazing team of Acquisition and Program Analysts. I'd like to believe I'm a pretty cool manager to work with. ☺

This T-shirt business became official right at the height of COVID-19. We've been creating tees together since 2012 but the lockdown helped us push it out.

I believe.

We have been given gifts & talents - from God - which are full of power and purpose that we are authorized to use, multiply and share in the earth. There is absolutely NOTHING more that needs to be done with the gifts from God. We only need to **develop our skills** and **mindset** in those areas. I also believe we are to reap the benefits of those gifts, to include financial increase. "We can do all things through Christ (the anointing) which strengthens us!"
