# Bridge to Kindergarten

## WHAT IS BRIDGE TO KINDERGARTEN?

Our Bridge to Kindergarten program provides an additional opportunity for students with summer or fall birthdays to gain the academic and social-emotional skills necessary to be successful in a full day Kindergarten program. Our comprehensive curriculum allow students to improve upon their knowledge from pre-K and focus on reading readiness, writing skills, early math, science and social studies.

## WHO IS THIS PROGRAM FOR?

Children who missed the September 15th cut off or will be five years old before December 31st.

Children that may need an extra year to build social, emotional and academic skills between attending a half day and a full day Kindergarten program.

## OUR PHILOSOPHY

The program will encourage children to find answers through exploration, experimentation, and conversation allowing for growth, confidence and social maturity. Social and emotional growth will be targeted including self-regulation, cooperation, communication and responsible decision making. The goal is to prepare the whole child for a lifelong love of learning, as these early learning experiences are the building blocks for future academic success.
