*Thank you for your interest and participation in the ministry of RAU! As our primary ministry focus is training indigenous pastors and leaders, planting self-governing, self-propagating, and self-supporting churches, and spreading the gospel among people groups in the West Nile Sub-region of Northern Uganda, South Sudan, and the Republic of Sudan we have created this fact sheet in hopes of better preparing you for coming alongside our ministry. Please carefully read [Reaching Africa's Unreached Mission/Vision Statements and Statement of Faith](#). Any teaching given would need to fall within the parameters of these RAU Statements. ### **Mission Statement**

Our Mission is to reach Africa's unreached people groups with the glorious Gospel of Jesus by planting Christ exalting churches in their midst. Furthermore, we will endeavor to strengthen local churches and their leaders through careful exposition of the Scriptures in word and deed that they may be strengthened to plant churches in nearby villages with no church and unreached peoples in their geographical regions.

# Vision Statement

Our **greatest concern** is that Jesus Christ would be exalted and worshiped among all nations, tribes, peoples, and languages (Revelation 5:9-10). We find our motivation to be in God and not man. Jesus has commanded us, “*All authority in heaven and earth has been given to me. Go therefore and make disciples of all nations, baptizing them in the Name of the Father, Son, and Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you to the end of the age.*” (Matthew 28:17-20). The **greatest need** of every person and of every culture is the clear proclamation of the Gospel! It is our conviction that the Gospel is the “*power of God for salvation*” (Romans 1:16) and we have been entrusted to proclaim it passionately **and** rightly. Our dependence is upon the Holy Spirit for the power to preach, teach, live and endure all things for the sake of the elect. (1 Timothy 2:10). As Christians, we are called to lay down our lives so that the Gospel will be preached to all. As ones who are confident in God’s sovereignty and passionate for His glory we seek to reach the many that have never heard of the Savior and His work of reconciliation. We understand that this work cannot be accomplished in our own strength but only through the supernatural power of the Holy Spirit. The means He uses in His people are cross-centered living, sacrificial and loving service, Bible-soaked preaching/teaching, fervent intercessory prayer, and Christ-likeness.

We hold that the **primary work** of missions is to plant local churches **which in turn** plant other local churches. Our goals, therefore, are to see new churches planted in unreached areas and to assist operating local churches through Biblical exposition which is “*profitable for teaching, for reproof, for correction, and for training in righteousness, that the man of God may be competent, equipped for every good work*” ( 2 Timothy 3:16-17).

As much as possible we will seek to instruct church leaders who can faithfully teach others (See: 2 Timothy 2:2 & Acts 19:8-10). Multiplication is key!
