THE sage. APPROACH

SN
about.

SAGE Healthcare Concierge Services is a first of its kind venture redefining the healthcare concierge services landscape in the Kingdom of Saudi Arabia (KSA). Inspired by the ancient tradition of the sage, we are your trusted guide throughout the journey of patient care coupled with logistics arrangements and leisure touristic activities. Our unwavering commitment to excellence, personalised care, and innovation sets us apart as a premier healthcare concierge service.

We are an all-inclusive healthcare concierge services provider which offers integrated healthcare concierge solutions on a local, regional and international scale. We seek to provide an accessible first-class service to international companies, healthcare providers and patients.

We interconnect global, regional and local partners, we aim to simplify it, streamline it and do it perfectly right!

TRAVEL WITH PURPOSE.

Your Gateway to accessible World-Class healthcare,
guided by expertise and compassion.

sage.

Be your partner of choice offering a top-notch and comprehensive healthcare concierge services ecosystem.

vision

sage.

Being a catalyst who aim to interconnect companies around the globe through integrated solutions that spark transparency, reliability, customer centricity and agility.

mission

values.

CUSTOMER CENTRICITY

We aim to foster transparency and clarity within the daily transactions and mostly prioritize a personalized service and a patient centric care.

OMNICHANNEL APPROACH

We aim to promote a “one stop shop” paradigm bringing local, regional and international partners together aiming to streamline the communication channels and simplify the business workflows.

DIGITAL SIMPLICITY

Our sophisticated tools aim to provide you with integrated solutions seamlessly interconnecting partners through user friendly self-services tools.

GROWTH ACCELERATION

Through our First-of-its-kind approach, we aim to expedite our global reach and further expand our local presence through partnerships and alliances.

INSTITUTIONALIZED FRAMEWORK

We aim to raise the bar and take the healthcare concierge services to the next level by relying on robust quality assurance metrics and accreditation guidelines to maintain global standards of care.

WISDOM & COMPASSION

We draw upon our expertise and experience to provide informed and insightful guidance and we treat each client with empathy, understanding, and respect.
