Public Comment

Fish said we received street funds from the mileage that will go into our Major Street Savings account to be used on our next big road project in 2028. A resident asked if we post available jobs in the newspaper, why Chief Ferguson has not been fired yet and if holes will be filled on Bockee. Another resident asked if everything will be shut down when our insurance expires. Another resident asked why the Marijuana Grow Facility was only paying 1 REU and if the treasurer was bonded and if proof could be provided, and if there was anything being done with the house on Ridge Road with blight.

Scheuneman made a motion to adjourn, seconded by Schrems. Motion carried.

Meeting adjourned at 8:01PM.
