Janet Larson Versatility Award

The Janet Larson Award recognizes the dog that exemplifies true versatility by successfully competing in herding and performance competitions. Dogs must qualify in herding and two other venues. The new computation uses the actual scores rather than just qualifying status. This should result in superior performances being rewarded. The highest scoring day from each venue will be the only day that counts for scoring. Obedience and rally have been combined into one venue since they utilize the same skills. Agility was pared down to just Standard and Jumpers with Weaves counting towards the score but the Premier classes were added. Herding is still the foundation with the most points available overall, and a score in herding is required to continue in the competition throughout the week. The test classes will no longer count towards the award, because they are pass/fail, there is no score to use in tabulation. Conformation added an evaluation in which dogs will participate in order to earn maximum points from conformation. Additional points can also be earned by entering either Working Sweepstakes or the National show. This change will allow altered dogs to earn points in conformation. It will utilize the score sheet that was developed for the Top 20 award and dogs will be given a score based on the Border Collie standard. The time and location of the conformation evaluation will be announced on Tuesday afternoon

We will offer three awards – Gold, Silver and Bronze.

Participants **MUST** submit a form with their acquired points at the end of each day. You can get your forms from Lisa Pruksa.

Entry fee will be \$25. You **MUST** be pre-registered to compete. To register, please go to the BCSC website to make payment. This competition is open to **BCSC MEMBERS ONLY**.

Registration closes August 31, 2023.

Email your questions to Lisa Pruksa at herdtrialsec@gmail.com
